Re: Taxicab Ordinance Amendment

Dear Valued Customers:

On July 3, 2012, the Board of County Commissioners adopted Ordinance 12-51 which amended the requirements relating to chauffeur agreements with for-hire license holders and passenger service companies.

The amendment provides that the receipt given to the driver by the for-hire license holder or passenger service company for payment under the chauffeur's agreement shall separately lists the amount of compensation that is attributable to lease, insurance, dispatch, deposits, and any other charges or costs. In addition, it is unlawful for a for-hire license holder or passenger service company to require that a chauffeur purchase a taxicab, lease a taxicab or finance the purchase of a taxicab as a condition or entering into a chauffeur's agreement.

Please be advised that the For-Hire Transportation section of the Department of Regulatory and Economic Resources will monitor compliance with these requirements and any violations will result in enforcement action. Should you have any questions or concerns regarding this matter, please feel free to contact us at (305) 375-1250.

Thank you as always for your cooperation.

Sincerely,

Joe Mora  
Director
